

PVSC's 6th Annual New Year's Day Samoyed Flash Mob begins at noon at the Christmas tree on the U.S. Capitol's West Lawn.

We'll hang out there until 12:30, or so, and will do a group photo before beginning our walk to the Washington Monument.

Everyone is welcome!

We encourage the wearing of jingle bells on the dogs and other festive attire!

The food kiosks on the Mall will be open and they serve hot beverages.

Parking around the Capitol Reflecting Pool is free and should be plentiful.

*P.S.
Please do not bring Flexi-leashes, they don't work well with a large group of dogs.*

Thanks!

Address, etc. is targeted on the parking lot. Since this is a National Holiday and Congress is closed, there will be ample free parking at the time we will arrive. Parking starts to fill up fast after noon, so plan to be there on time or early.
