What is the CAT?

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The inspection committee has the authority to disallow a dog's entry into a event and, in such instances, applicable entry fees will be refunded. At roll call, all dogs will be measured by a wicket to verify handicaps. Bitches in season, lame and unfit dogs will be excused with entry refunded. Please do not bring bitches in season to the event that are not competing.

300-Yard Course: This distance is for dogs shorter than 12 inches at the withers and/or brachycephalic ("flat-faced") dogs. A veteran dog (Age 7 or older on day of event) may run 200 yards at the owner's discretion. A dog must complete this course in less than 1.5 minutes.

600-Yard Course: This distance is used for all dogs that do not run the 300-yard course. A veteran dog (Age 7 or older on day of event) may run 400 yards at the owner's discretion. A dog must complete this course in less than 2 minutes. If there is a question whether a dog should run the 300- or 600-yard course, the judge will decide. The premium shall state the distance for each course and the eligibility of dogs for each course, including that veteran dogs may run two-thirds of the normal course distance at the owner's discretion.

CAT is a Pass-Fail event. In order to pass, the dog must complete the course with enthusiasm and without interruption within the maximum amount of time for the course length. A dog is considered to have failed the event if it relieves itself while on the course. The time ends when the dog completes the required course. The judge keeps the official time and decides the merits of the dog's performance. Three titles are awarded for dogs that pass the Coursing Ability Event the required number of times. These are suffix titles that will appear on a dog's pedigree with a higher level of title:

CA (Coursing Ability) – Three (3) cumulative lifetime qualifying runs under at least 2 different judges.

CAA (Coursing Ability Advanced) – Ten (10) cumulative lifetime qualifying runs under at least 2 different judges.

CAX (Coursing Ability Excellent) – Twenty-five (25) cumulative lifetime qualifying runs under at least 2 different judges.

Notice To All Exhibitors

All exhibitors must be responsible for cleaning up after their dogs on the motel, RV and event grounds. Motels require that dogs be crated when unattended. Any damages to motels, RV sites or the event site can result in disciplinary action by the Event Committee. It is expected that exhibitors will clean up immediately after their own dogs and strongly encourage others to do the same. All owners/exhibitors should be aware that the entire motel grounds and RV sites are considered within the event grounds. You will be responsible for all damage to your room/site and may be subject to disciplinary action in accordance with the rules of the AKC. Any abuse of the grounds will be brought to the attention of the event-giving club and its Event Committee. Any exhibitor's entries may be refused for previous misuse of the motel or RV facilities. This is an AKC supported measure.
